IS MENTIONED FOR PRESIDENT

**James E. Watson Being Considered
As G. O. P. Timber Since Speech
Answering Wilson.**

OKLAHOMA IS BEHIND HIM

**Congressman James McGuire Says
State Will Cast Its 24 Votes
For Him if he Runs.**

Although James E. Watson of this city has not made it known that he will be a candidate for the Republican nomination for president no matter how great the demand for his candidacy may be, it can not be denied that states are lining up behind him already and that the desire that he seek the nomination is becoming more widespread every day.

There does not seem to be any doubt now but that he will be a contending force in the next Republican convention which will be held some time during the summer of 1916. By that time the political field have cleared up somewhat and a number of candidates who seem to be in the running now will be out of it, no doubt.

The speech Mr. Watson made in Indianapolis last Friday night in reply to the one made by Pres. Wilson in Indianapolis a week ago last Friday has brought him into national prominence as nothing else would have done and has caused Republicans in many states to look upon him as presidential timber.

That his name is being discussed in connection with the presidential nomination is indicated by a late Washington dispatch to the Cincinnati Enquirer, in which Congressman James McGuire of Oklahoma let go of a Watson boom for the presidency. The dispatch reads like this:

Representative McGuire, of Oklahoma, gave the "Jim" Watson presidential boom a boost today when he declared that if Watson is a candidate for the Republican presidential nomination Oklahoma's solid vote in the national convention will be cast for him. Oklahoma will have 24 votes in the convention.

If Watson should secure the backing of his own state these 24 votes added to Indiana's 30 would at least give him a nest-egg of 54 at the outset. Former Speaker Cannon is credited with being the main influence back of the Watson boom.

Speaking of Oklahoma's attitude McGuire said:

"If 'Jim' Watson shies his eager into the ring there is not the slightest doubt where Oklahoma will stand in the nominating convention. Oklahoma is for Jim Watson and for him strong. The delegation, with Watson in the rump, will be unanimous and enthusiastic for him. Furthermore, we believe he has the ability to make a President equal to the best."

THROWN FROM BUGGY.

Mr. and Mrs. Ed Mock, with their two children, while riding in a storm buggy, narrowly escaped serious injury when their horse shied and upset the buggy, throwing them in the ditch. The fact that they all escaped from the closed buggy unhurt was bordering on the miraculous. The horse was stopped or else it is likely some of the occupants of the buggy would have been hurt.

TWO BOMBS IN A WEEK.

Cambridge City Tribune: Two presidential booms in one week has brought Indiana to the political forefront. President Wilson came all the way to Indianapolis to make a speech, only to have Jim Watson answer it. And just think, all this within a week!

TWO SUITS ARE DISMISSED

**Cases of Minor Importance Taken
Off Court Docket.**

Two suits of minor importance were dismissed in the circuit court today. The first was that of Daniel S. Long against Mrs. Mary J. Walton for the specific performance of a contract. It was dismissed by the plaintiff and the costs paid. The other was the account suit of Edward E. Rauck and Ira W. Martin, doing business under the name of Martin and Rauck, against Edwin E. Peck. The demand was \$165.72 and it was dismissed at the costs of the plaintiffs.

WARRANTS WERE ISSUED IN 1911

Mary V. Dameron Has 46 Cents

Coming to Her and County

Owes Ed Hurst 23 Cents.

MUST BE CARRIED ON BOOKS

Very seldom does it ever happen that people having money coming to them do not make an effort to get it and especially after a check has been issued for the amount. Two people have been found who have had money coming from the county since 1911 and the warrants for the amounts have never been cashed. They are Ed Hurst and Mary V. Dameron.

The amounts are not great but the books in the treasurer's office could be put in better shape if the warrants these two people hold were put in better shape if the warrants these two people hold were cashed. Hurst's warrant is for twenty-three cents and Mrs. Dameron's calls for forty-six cents. The warrants were issued in May, 1911 and were for rebate on the Offutt ditch.

According to the records, the warrants were mailed to the parties at Fountaintown. In all the reports for the past four years the county treasurer has carried the stubs of these warrants as outstanding checks against the county and the money is in the bank awaiting the cashing of the warrants. The two warrants were drawn on the Rush County National bank.

TURKISH RETREAT HAS BECOME ROUT

**Enemy Was Disorganized and Rear
Guard Fell Into Hands of Rus-
sians, Petrograd Said.**

12 TURK CARGO BOATS SUNK

(By United Press.)

Petrograd, Jan. 21.—The Turkish retreat from the Caucasus has become almost a rout, according to official reports received here today. In their precipitate retreat, portions of the Turkish forces are being disorganized and their guard is falling into the hands of the Russian cavalry. In a series of such engagements with the remnants of the Turk army, the Russians have captured numerous prisoners, today's statement said.

A Russian torpedo boat operating in the Black Sea southwest of Batum sank 12 Turkish cargo boats, it was also reported.

A new Daniel has sprung into the arena of Europe. His name is Famine.

INSTITUTE WILL BE PERMANENT

**Farmers of Noble Township, Rush
County, and Orange, Fayette
County, Are Enthused.**

FIRST ONE HELD YESTERDAY

**Prizes Are Awarded in Corn Show
and For Domestic Science
Work—Two Lecturers.**

The farmers' institute and corn show conducted by the farmers of Noble township, Rush county and Orange township, Fayette county, in Orange yesterday attracted a crowd of two hundred and fifty farmers and the institute was considered the best ever held there. An interesting program was given, the speakers being R. L. Thompson and Mrs. Oliver Kline, of Purdue University.

The corn show and awarding of premiums in the domestic science department attracted great attention and the contests were very close. In the white corn class Kenneth Morris was awarded first premium and John Dawson second. In the yellow corn class Beever Brothers were awarded first premium and John K. Fielding, second. In the domestic science contest Miss Florence Paxton was awarded first prize for the best gingham apron, Miss Mary McKee, second and Miss Marjory Tittsworth, third.

The prize for the best white cake went to Miss Helen Houchens, Miss Wilma Bowen was given second and Miss Marion Tittsworth was awarded third prize. Music for the institute was furnished by the Orange high school orchestra and a quartet from the girls' chorus gave a number of selections. Edgar Starr, principal of the school, gave an interesting reading on "Why I Left the Farm." Miss Lela Bowen gave a recitation.

At the close of the meeting Ray Stevens was elected president and Wilbur McKee was named secretary. These officers will select other officers and name committees to complete arrangements for the institute next year. The farmers were so enthused over the meeting that they are determined to make the institute and corn show a permanent institution.

The speakers from Purdue University pleased immensely. At the morning session Mr. Thompson talked on the subject "Prominently Profitably Farming" and Mrs. Kline spoke on the subject "The Home and Its Embellishments." At the afternoon session Mr. Thompson talked on "A Farmer's View of the Educational Problem." Mrs. Kline discussed "The Value of a High Aim in Life."

AMMUNITION IS DESTROYED

**Big German Depot Shot to Pieces by
Allies Gunners.**

(By United Press.)

Paris, Jan. 21.—Destruction of a big German ammunition depot from which German forces were operating near Rheims to the base of their supplies was reported in the official dispatches this afternoon. According to unofficial report, the explosion of two supplies of powder resulted in many deaths.

French aviators located the ammunition depot and furnished the range to the allies' gunners. The guns had scarcely been trained in its direction when a shell burst through the room. A tremendous explosion shook the earth for miles around.

DESCRIBES LIFE IN THE TRENCHES

**French Captain Writes Letter to
Mrs. Demarchus C. Brown Whom
He Met in Paris**

REPLY TO XMAS GREETING

**Declares French Army is in Excel-
lent Condition and Morale
Exceptionally Fine.**

In reply to Christmas greetings sent to a French captain whom she met in Paris at a reception to foreign troops while abroad last summer, Mrs. Demarchus C. Brown of Indianapolis, who lectures here frequently and has many friends here, has received a letter describing something of the life in the trenches.

Mrs. Brown says that at the time of the reception there was no thought of war. The city officials were receiving, according to Mrs. Brown, as guests of honor the Senegals, big ebony fellows from Madagascar and the French colonies in Africa, and the Algerian Tirailleurs. The French captain was already a veteran, and a man of wide observation and experience, delightfully witty and friendly. He spoke very highly of Americans and Mrs. Brown recalls that he said: "I hope some day to see your wonderful country, your great Chicago, which you assure me is near your own city with the unpronounceable name, and to see for myself your famous skyscrapers." For, like most Europeans he seemed to think Americans all live in twenty-five-story skyscrapers—"gratteciels,"—scratchers of heaven.

Prior to Christmas the Browns sent the French captain a Christmas greeting, not knowing where he was, but addressing him at his garrison town. The letter was received and he has replied in part as follows:

"Your letter has just reached me at the front today, December 29. It is forbidden us to tell where we are otherwise I should willingly tell you. It must suffice to say that I left home August 3. Since that time we have been marching and fighting day and night. That makes almost five months, and I assure you I have seen many things of which I never dreamed in those bright days in Paris last summer. Many of my comrades have been killed and wounded. For myself, happily I have not been touched, and am keeping in very good health, although I have grown very thin from lack of sleep and continual fatigue. In spite of it all, the constant anxiety and hardship, our morale is excellent. The army is in fine spirits and fine condition and we shall be satisfied only when we have crushed our enemy. I hope indeed that God will grant me a return to France. Then, after it is over, I shall have many things to tell in detail which I am not permitted to write now.

"We are now in the midst of the bad weather. We are out in the open, under the rain and the snow, but we suffer without complaining, for we know we are marching in the name of civilization. You can imagine how often I think of my little house in J—, with its garden full of those old-fashioned flowers. My beautiful horse is with me, and we have had many adventures together. I suppose we shall stay together until the end, whatever end it shall be. You can not know how it encourages us all to feel that our friends in America think of us and wish us well."

EASTERN STAR WORK.

Martha Poe Chapter, No. 143 O. E. S. will have degree work Friday night. A pitch-in supper will be served promptly at 6:30.

MANY RUSSIANS CAPTURED

**Austrians Report Severe Fighting
Along Donajec River**

(By United Press.)

Vienna, (Via Amsterdam), Jan. 21. Capture of several hundred Russians in severe fighting along the Donajec river in western Galicia was reported in the official statement from the Austrian war office today. The Russians held a strong position on the west bank of the river. Austrian artillery shelled stone buildings behind which the Russian infantry lay and forced their retreat to the river.

Destruction of a bridge across the Donajec river in the Carpathians was also reported.

ELEVEN WANTED TO GIVE MAPLE DOLLAR

**One Juror Hearing Account Suit in
Circuit Court, However, Held
Out and Jury Disagreed.**

SECOND TRIAL OF THE CASE

After voting for five hours with eleven men wanting to award Clell Maple judgment for \$1 and assess the costs against the defendant Johnson, the jury, which heard the account suit of Clell Maple against Lafayette Johnson, was discharged when it failed to reach a verdict.

The stand taken by the jury was one of the most peculiar ever recorded in the local court. The suit was over a balance alleged to be on an account and the original demand was only forty-five dollars. The costs in the case amounted to something like \$50 and the 11 men voting for Maple in the sum of \$1 and placing the costs against Johnson believed that the amounts would be about equally divided. The other man on the jury would not agree to this and voted for the defendant.

The case was sent to the circuit court from the justice of peace court of Squire Kratzer and it is quite likely that it will be settled before it is called for trial again.

TO PREACH SERIES OF SERMONS HERE

**Rev. Z. T. Sweeney of New York
Will be at Christian Church: For
Week, Starting Sunday.**

HIS SUBJECTS ANNOUNCED

The Rev. Z. T. Sweeney of New York City will conduct a series of meetings lasting a week at the Main Street Christian church beginning next Sunday. The Rev. Mr. Sweeney is now in Columbus, where he formerly lived and has consented to come here and preach the series of sermons. He was pastor of the Fifty-ninth Street Christian church in New York City and is far famed as an eloquent minister. Subjects for the week have been announced as follows:

Sunday, 10:30 a. m., "Do We Need Miracles Today?" 7 p. m., "Can We Understand the Bible the Same as Other Books?" Monday, 7:30, "Is There a God and May We Know It?" Tuesday, "Has He Revealed Himself and by Whom?" Wednesday, "The Mission and the Work of the Holy Spirit"; Thursday, "The Church of God and Who May Belong to It"; Friday, "Have We a Model For the Salvation of All People?"

SENATE PASSES EUGENICS BILL

**Declares Approval of Measure Com-
pelling Physician's Certificate
to Get Marriage License.**

IT APPLIES TO MEN ONLY

**Bill is Opposed Only by Senators
From Border Counties Where
Squires do Big Business.**

(By United Press.)

Indianapolis, Ind., Jan. 21.—The senate today by a vote of 32 to 12 passed the eugenics bill which would require only men applying for a marriage license to present a physician's certificate showing they were not afflicted with any transmittable disease, including tuberculosis. Chief opposition to the bill came from senators representing border counties. The bill goes to the house. Senator Thornton representing the border counties of Floyd and Harrison, and Jeffersonville the "Gretna Green" of Indiana, made the only speech against the bill.

"Why we would not have a marriage on the borders of this state in five years," he declared. "There are eight thousand reasons why I would not vote for this bill. Home is the crowning desire of a man's longing soul and nothing should hinder this achievement." There were 1,955 marriages in Jeffersonville last year. He declared the physicians were lobbying for the bill to get the fees and said such legislation was not right.

Senator Hazen, Boonville editor, brought a ripple of laughter when he pleaded that young men should "go to their brides with clean skirts."

Senator Van Auker said couples from Kentucky and Illinois because of loose marriage laws came here and that as a result marrying squires made a neat fortune.

"Society has a right," he said, "to say that diseased men shall not marry only to burden society with diseased children."

Senator Edward C. Eikman, representing Rush, Fayette and Hancock counties, voted for the bills.

The Senate yesterday passed Senator Alva O. Reser's bill to authorize commercial clubs to own stock in companies they induce to move into a community. Senator Glenn Van Auker's bill to amend the corrupt practices act to exempt candidates for offices paying less than \$200 a year from filing itemized statements of campaign expenses was made a special order for 3 o'clock Monday. Senator E. A. Norman's bill to require private funerals for persons who die of certain specified contagious diseases was made a special

Before Stock Taking The Bargain Season

This is the month in which the thrifty shopper scans the newspaper advertising closely.

It is the time just before stock taking when merchants are anxious to clean house.

It is better business to sell small lots of merchandise at a loss than to carry them over another year.

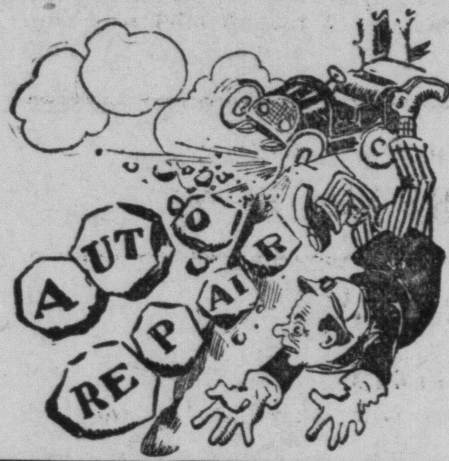

Cash can be used—dead stocks eat their heads off.

So it is the custom of the stores to make this month a clearance season.

Therefore the advertising columns of The Daily Republican hold more than their usual interest.

What of Mexico?

What are we to do about Mexico? We want no war with that country, and yet the American patience has about reached the breaking point.

Property of Americans is being daily destroyed, our citizens are being insulted and assaulted, commerce is at a standstill, and American business interests are suffering untold loss in that land of anarchy. There is no established government, and might is right.

Military bandits are in control, and honor has been kicked into the discard. Insults are being heaped upon our troops at the border and Mexican bullets are singing over American territory.

The president is making every effort to reach some peaceful solution, but apparently without avail.

How long is patience a virtue anyway?

This year begins on Friday and ends on Friday, and every weekly newspaper that carries Friday as its publication day will have 53 weeks in 1915. Some year, eh?

In this country we "shoot the shutes" and over the way, they "shoot the shooters."

SENATE PASSES
EUGENICS BILL

Continued from Page 1.

order for 2:30 o'clock Monday.

Second readings were given four bills: Senator Reser's bill to require school treasurers to give a bond equal to the sum in their possession at any one time, Senator Edward P. Elmer's bill to permit farmers' mutual fire insurance companies to insure property in towns, Senator Frederick VanNuys's bill to repeal the law relating to the recorder of Lake county, which was published without having been passed by the last Legislature, and Senator M. C. Thornton's measure to authorize the New Albany Public Library to make use of certain funds. All four were ordered engrossed.

The committee on fees and salaries shelved two bills that had been introduced by Senator S. B. Fleming of Fort Wayne. One sought to fix the salaries of sheriffs and the board of each person under care other was to provide that sheriff. The committee reported unfavorably and the Senate concurred in that action.

The Senate concurred in the report of the committee on judiciary B. favoring the passage of Senator J. B. Fleming's bill to amend the law relating to the issuance of bonds for court houses and to permit the sale of bonds at less than 4 per cent. to be redeemed in less than ten years.

The committee on reformatory reported favorably on Senator William A. Yarling's bill that no parole be granted without the consent of the Governor to a prisoner transferred from the Jeffersonville Reformatory to the Michigan City Prison. The report was approved.

The committee on counties and townships made favorable reports on Senator William M. White's bill to fix the pay of township trustees in Crawfordville; Senator George C. Wood's bill to require county surveyors to turn unfinished work over to their successors; Senator Thomas L. Neal's bill to correct title to lands in Boone County, the records having been burned, and Senator John G. Reidelbach's bill to abolish County Councils. The Senate concurred in the committee action on all four measures.

On motion of Senator Reser, the Senate adopted a joint resolution to comply with the terms of the Smith-Lever act, under which Congress voted aid for agricultural extension work at Purdue University. A sum of \$10,000 has been received for the current year and the treasurer of the university was authorized to receive it and to disburse it in accordance with the Federal act.

The committee on rights and privileges recommended for passage Senator Reidelbach's bill to permit the owner of wild birds raised in captivity to sell them.

The committee on criminal code had the "anti-gambling bill" under consideration, Senator Kolsen's bill No. 13, and postponed action, as hardware dealers desire a hearing before action is taken.

CLOSES EIGHTH OF CENT OFF

(By United Press.)

Chicago, Jan. 21.—The wheat market fluctuated violently all day, at one time touching \$1.45. It remained there only a short time, though, coming back to \$1.43 at the close, which is only one-eighth of a cent below the opening. The volume of business was slow owing to farmers holding back cash grain. Cash wheat closed above the futures.

IF BACKACHE OR
KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out Kidneys—Drink plenty water.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

HOW DOES THE REAR END
OF YOUR CAR "SOUND"
AND ACT?

Is it noisy, loose and does it seem to "gather together" before the car moves, instead of acting noiselessly and as a single unit?

Every car's "rear end" should be overhauled once a year and the brakes should be relined—if you want to enjoy safe, "worry free" motoring and have brakes that HOLD.

Now is the time to have US do the work—here in a first class shop where ALL the work is done by skilled mechanics. Our Charges are Moderate.

Amusements

The Princess will show a two reel feature "The Senator's Brother" for the first picture tonight. Leah Baird and William Humphrey are featured. It is said to be a great picture telling a dramatic story. The other is a mystery drama entitled "Within Three Hundred Pages." The story tells of the mysterious theft of a valuable necklace. Richard Travers and Bryant Washburn are featured. Tomorrow matinee and night the five reel feature "A Florida Enchantment" will be shown. The scenes are laid in Florida and the story is said to tell something different. Edith Story, Charles Kent and Sidney Drew are featured.

The Mystic offers the feature production "The Strange Story of Sylvia Grey" for the program tonight. Charles Kent, Helen Gardner, Gladden James and an all-star Vitagraph cast is featured. Miss Gardner plays three parts in this production. It is said to be a wonderful picture. The first show starts at six-fifteen o'clock.

The Gem will show a two reel Eclair drama "The Price Paid." Robert Frazer and Edna Payne are featured. It is a political story and is said to be very interesting. It is a human interest drama that will appeal. The other is an Imp comedy "The Universal Boy." Matty Roupert is featured. Tomorrow night the two reel Eclair drama "Firelight."

CARMONY-WILKES WEDDING.

A very beautiful wedding took place at the residence of Marshall Wilkes at Sumner, last Sunday afternoon at three o'clock when Miss Hazel Wilkes and Charles Carmony were united in marriage. A few minutes before three o'clock the bridal procession appeared, led by the Rev. Fred Dennis, and immediately following him were the bride and bridesmaid, Miss Lillian Carmony, and the bridegroom and best man, Len McConnell. They entered the parlor which was decorated with the wedding colors, red, white and blue, and stood near a red wedding bell. Just as the clock struck three the first words of the ceremony.

The bride was attired in a beautiful wedding gown of blue satin and carried a beautiful bouquet of white roses. A dainty wedding repast was served. There were about seventy-six wedding guests present. Many beautiful and valuable gifts were received by the young couple.

The ladies of the Big Flatrock church will hold an exchange next Saturday at the Plough Millinery store. 269t2

NO LOBBY HAS YET APPEARED

Abatement Bill, Making Provision to Get Rid of Immoral Houses, Has Easy Sailing

IT MAY MEET STORMS LATER

Method of Attack That May Be Used is Revealed by Question Put by One of its Opponents

(By United Press.)

Indianapolis, Jan. 21.—No lobby has yet appeared publicly against the abatement bill, which would provide any citizen with an opportunity to petition in court for an injunction against houses of ill fame, but it is considered possible that certain property interests are interesting themselves.

In the first public hearing on the bill the line of argument to be followed by its opponents was indicated by Representative Linford Myers of Anderson, who asked Representative Rule, the author, whether a trust company renting hundreds of houses, would be expected to know definitely whether any one of them was being used as a house of ill fame. The bill presumes that the property owner knows to what use his property is being put. In case the petitioner proves that the property is a nuisance, then the burden of proof is on the property owner. He must prove that he did not and could not within reason have known the use the property was being put to, or be subject to penalty.

Mrs. F. E. White, chairman of the legal department of the Legislative Council of Indiana Women, today attacked the argument that the law would give opportunity to unscrupulous persons to harass the owners of property. She said the Russell Sage foundation had made a complete investigation and had not found one case of blackmail. The foundation reported, she said that this law has made segregation impossible and that no city was found where prostitution was "open and notorious." The law is in effect in Utah, Oregon, Washington, Minnesota, California, South Dakota, Kansas and Wisconsin.

"It is also the Kenyon bill," said Mrs. White, "enacted for the District of Columbia by the Democratic congress of 1913 and signed by President Wilson."

Rushville People Praise Simple Mixture

Many in Rushville praise the simple mixture of buckthorn bark, glycerine, etc., known as Adler-Ika. This remedy is the most THOROUGH bowel cleanser ever sold being even used successfully in appendicitis. ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler-Ika cannot gripe and the INSTANT action is surprising. F. E. Wolcott, druggist.

Administrator's Sale of Real Estate.

Notice is hereby given that the undersigned, as administratrix of the estate of William L. Price, deceased, will as such administratrix, by order of the Rush Circuit Court entered at the November Term, 1914, of said Court in cause No. 352, wherein Louisa G. Price as administratrix of the estate of William L. Price deceased, is plaintiff, and Louisa G. Price, Orville Price, Bernice Price, Erba Price, Lola Havens, Ethel Harrell and Jasper D. Case are defendants, offer for sale, at private sale, to the highest and best bidder the following described real estate in Rush County, in the State of Indiana, to-wit:

Lot No. 2 in Benj. L. McFarlan's subdivision of part of out lots 1 and 3 in Pugh, Laughlin and Cross' as guardians addition to Rushville, Indiana, and located in the northwest quarter of section six (6) township thirteen (13) north and range ten (10) east.

Said sale will take place at the office of Kiplinger & Smith on the southwest corner of Third and Main streets in the city of Rushville, Indiana on

MONDAY, the 15th DAY OF FEBRUARY, 1915. If said property is not sold on such date, the same will be offered from day to day thereafter at said office until the same is sold.

TERMS OF SALE—One-third cash at the time of sale, one-third in six months and one-third in twelve months with the privilege of the purchaser paying all cash; deferred payments, if any, to be evidenced by the purchaser's note or notes secured by first mortgage on the real estate sold.

This is a fine residence property, well located and is worth looking after.

LOUISA G. PRICE, Administratrix of the Estate of William L. Price, Deceased. Kiplinger & Smith, Attorneys. Jan14-21-29-Feb4

Great Kidney Remedy Saves Two Children in One Family

About one year ago two of my children suffered badly from weak kidneys. They would have severe spells of dizziness and were run down in health. I was just about discouraged. I tried several remedies and finally a doctor, but they did not seem to improve. I knew of a friend who was taking Swamp-Root for kidney trouble with good results and I decided to get some for the children. I had noticed that there was some improvement after they had taken two large bottles and continued to give it to them until they had taken one-half dozen bottles and were well on the road to recovery. I think Dr. Kilmer's Swamp-Root has done more for my children than any other medicine I have tried and recommend it to anyone having children that suffer as mine did.

Very truly yours, R. W. LISENEY, Dothan, Ala. Personally appeared before me, this 2d day of July, 1909, R. W. Lisenby, who subscribed to the above statement and made oath that the same is true in substance and fact. A. W. LISENEY, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Write what Swamp-Root will do for You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Rushville Daily Republican. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

Life Saving Station

DID YOU KNOW that this town has a Life Saving Station? It is a fact—it has.

This drug store is the station, and it is a blue ribbon saver of lives.

Every day some one drops in who is "off his feed," and needs something to brace him up, to put new life into him. Our little "bracers in time" restore people to their normal health and thereby prevent sickness which might otherwise result in death.

Our Beacon Light of Life is always trimmed and burning. Come to it when you are in distress.

\$3000.00 FIRE PREVENTED

Read This Letter:
"Several years ago I called on Lane & Evans to buy a pump and they almost forced me to buy one of your Fig. 28 Red Jacket Double-Acting Force Pumps and fifty feet of hose when I only intended to buy a cheap set length pump. Mr. Lane put up such strong argument on 'fire protection' that I followed his advice and bought the Fig. 28, little thinking that it would be of any service to me in that respect. Shortly after the pump was installed, my barn caught fire and had it not been for this pump and hose and the thoughtfulness of Mrs. Barnett, my barn, house and all buildings on the place would have been destroyed."

SCOPE OF PROBE TO BE WIDENED

Injection of Personality of Prominent Men in Santo Domingo Investigation Makes it Necessary.

ALL MENTIONED TO BE HEARD

Witness Admits he Does Not Believe Story W. J. Bryan Was to Share in Exploitation.

(By United Press.)

New York, Jan. 21.—Injection of the personality of prominent men, notably Secretary Bryan, into the Santo Domingo probe has made it necessary that the investigation scope be widened. Senator-elect Phelan of California, who is hearing testimony on the charges brought by W. W. Vick against Minister James K. Sullivan, said today he intended that everyone whose name had been mentioned shall have full opportunity to be heard.

Former Governor Martin H. Glynn has already flatly denied the charge made by M. E. Davis, a contractor, that he was to participate in profits which William C. Beer named as Sullivan's sponsor expected to make on "public work contracts with the Dominican government."

The investigation primarily was into the fitness of Minister Sullivan for the post he held but the alleged graft stories cropped out. Beer, who is an attorney for the Banco Nacional of Santo Domingo, was quoted at the hearing yesterday as having said Former Governor Glynn, Secretary of State Bryan and Congressman J. A. Hamill of New Jersey. The testimony was given by

AN OLD RECIPE TO DARKEN HAIR

Common garden Sage and Sulphur makes streaked, faded or gray hair dark and glossy at once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

Contractor Davis, who admitted, however, that at the time he had taken Beer's statement seriously, but when Senator-elect James D. Phelan, who is conducting the inquiry, and his attorney, Charles H. Strong, expressed surprise that he had so regarded it. Davis asserted he now believed the statement to be "silly rot." He declared Beer evidently was trying to make an impression and "using all means in his power to get money."

That Minister Sullivan had encouraged the Dominican government to bombard the city of Puerto Plata during a revolution in October, 1913, in spite of the fact that it would endanger American property there, was charged in testimony by G. O. Baker, a construction engineer. Baker had a contract for building a power house in that city for a Boston concern, and said he protested to Minister Sullivan, asking intervention against a threatened attack upon the city by a Dominican gunboat patrolling the river.

The city was at that time in the hands of revolutionists, and although it was defended by a so-called fort, Baker said it was in no sense fortified, as the entire artillery of the fort consisted of one one-pound gun. Sullivan, he declared, had insisted that it was a fort and that the gunboat had a right to bombard. Baker said he then entered a protest in writing to the minister. To this Sullivan replied in a letter that was put in evidence, in which occurred the sentence:

"This does not mean that the attack on the town will be stopped by the United States; on the contrary, we will encourage it."

A copy of the letter, the witness said was sent to Secretary Bryan. The gunboat subsequently did bombard, he testified, throwing five shells into the city and damaging his property, though not seriously.

DEEDS ARE TRANSFERRED

Everything Ready For Work on Masonic Home Near Franklin.

The final transactions in buying the site for the state Masonic home in Franklin have been completed, and work will be started on the institution early in the spring. The title and deeds to the land were transferred to the members of the Masonic grand lodge committed at a meeting in Indianapolis. The site consists of 215 acres and is situated at the edge of Franklin. It was purchased for \$45,000 the Franklin lodge and people of that city giving \$20,000. The members of the committee attending the meeting when the transfer was made were Calvin W. Prather and Frank E. Calvin of Indianapolis and Dr. Olin Holloway and Richard Schwitzer.

RUSHVILLE WILL PLAY AT CARTHAGE

Open Date in Schedule Results in Taking Team There For a Return Game—Has One Victory.

NO HOME GAME UNTIL FEB. 5

Arrangements were completed yesterday for the Rushville high school team to play at Carthage Friday night. This arrangement in the schedule will be a disappointment to many of the fans as the team will not be seen in action on the home floor until February 5 as the schedule calls for a game in Franklin on Jan. 29. Negotiations were on for a third game with Milroy to be played here Friday night but the managers of the two teams could not get together and the game at Carthage was booked.

Rushville defeated Carthage on the local floor earlier in the season and expects to repeat Friday night. The game will be a hard one on account of the small floor at Carthage. Since defeat at the hands of Connersville last Friday night the team has been working hard and Coach Burns is determined that the team will play basketball all the time.

CURED OF KIDNEY TROUBLE

Ohio Man's Case Shows How Terrible Malady Can be Conquered.

"Dear Sufferer: Last summer I was attacked with kidney trouble. Incessant backache was the first symptom. Whenever I stooped to my shoes, I felt a dizzy, swimming sensation in my head. It was almost impossible for me to straighten up because of my stiff back. My hands were puffed and covered with little brownish-yellow spots. The kidneys were highly congested and off in action. I heard of Lloyd's kidney and rheumatism tablets as the new and scientific treatment, so tried it. It proved a wonder. The backache and yellow spots have entirely disappeared and I now feel better in every way."

I advise you, sufferers from backache, tired feeling, restlessness, nightly arising, any kidney or bladder ills or rheumatism, to get from your druggist today a few Lloyd's, the kind that cured me. Don't injure your kidneys by using salts or powerful drugs.

Beer vs. Tea

Tea leaves contain caffeine 3.2 per cent.

Beer contains alcohol 3 to 4 per cent. and grain extracts about 7 per cent.

Caffeine is a poison similar in effect to opium or morphine.

Alcohol in small quantities, such as in beer, is a proven food.

Prohibitionists, who believe in the destruction of everything which might be the agent of man's intemperance, should, if they are sincere, turn their attention to tea, a poisonous stimulant, instead of beer, a recognized food.

Britain, which consumes 300,000,000 pounds of tea a year, is facing the great problem of tea inebriety. Her scientists are advising the people to turn from tea to mild beers.

Which do you prefer, tea, a stimulating drug, or beer, a nourishing beverage?

"FOOLS" SERMON SUBJECT TONIGHT

Rev. Mr. Elliott Said Last Night

Being Born of Godly Parents is
Not Insurance Policy.

SERVICES AT U. P. CHURCH

"Fools" will be the topic of the sermon to be preached by the Rev. Frederick Elliott at the U. P. church tonight at 7:30 o'clock. A good sized audience last night heard and enjoyed the sermon on the subject, "The Degree of B. A." The Rev. A. D. Batchelor of St. Paul's M. E. church offered prayer. The meetings will continue each evening for the remainder of the week. Last night the evangelist dealt with the new birth into spiritual things. "The natural birth," he said, "does not admit us to spiritual appreciations of privileges. Being born of godly parents is a favorable circumstance, but not an insurance policy. Those who are not born again are already spiritually dead, for death may precede or even preclude birth. The second death which the spiritually dead must suffer, is not annihilation, but hell; and no amount of wishing or of bad logic can avoid this scriptural conclusion. Heaven and Hell rest upon precisely the same scriptural basis, and stand or fall together. Those born again die triumphantly, and rob death of its sting, and the grave of its victory."

James E. Watson First Speaker to
Give Address More Than Once
at Kansas Celebration.

IT IS SET FOR JANUARY 29

State Will Observe Entrance Into
Union and McKinley's Birthday
—Watson Speaks in New York.

James E. Watson of this city will make the principal address at Topeka, Kansas, Friday January 29, at the fifty-fourth anniversary of the admission of Kansas to the union as a state. The celebration will be dual in its nature because January twenty-ninth was McKinley's birthday and it is always celebrated by the Kansans. In all of the fifty-four years that Kansas has been observing its entrance into the union, James E. Watson is the only man who has been called back to speak a second time.

Mr. Watson will also speak at Albany, New York some time in the early part of February. At that time he will speak from the same platform with Governor Whitman of New York who is being mentioned as one of the contenders for the presidential nomination in 1916.

Mr. Watson and Henry Lane Wilson, former ambassador to Mexico, will be the chief speakers at the big Republican meeting which is being planned for Fortville, Hancock county, Thursday, February 4. The demonstration promises to be one of the most novel ones ever arranged in Indiana for Republicans.

The principal item on the menu for this banquet, according to the committee, composed of A. B. Ayres, John M. Hardin and T. W. Gardner, which was at Republican state headquarters yesterday, will be possum, properly banked with sweet potatoes. Gardner is said to be a past master in the preparation of this delicacy. In addition there will be a liberal supply of Hancock county turkeys. The Fortville Republicans are planning to entertain 600 voters. The toast list headed by Henry Lane Wilson, and Mr. Watson is longer than is usually presented at a meeting of this character.

Short speeches will be made by former Governor W. T. Durbin, Hor-

ace Stilwell, former vice-chairman of the Progressive state committee; Judge Leffler and Walter Ball, of Muncie; Merrill Moores, congressman-elect from the Seventh district; Will R. Wood, congressman-elect from the Tenth district; Fred A. Sims, former Republican state chairman; James P. Goodrich, Republican national committeeman; Will H. Hays, state chairman, and R. L. Head, of Franklin county.

The Republican Club, of Vigo county, is preparing to give a big oyster supper on Lincoln's birthday, and the Republicans of Marshall county are planning a meeting at Plymouth on the same date. The Republicans of Wayne county will probably celebrate the day with a banquet at Richmond.

The Cass County Republican Club is preparing for a big "blow out" at Logansport on Lincoln's birthday. An invitation has been extended to Charles S. Deneen, former Governor of Illinois, to make the principal speech on this occasion.

We received the above orders this week from two of the largest and best Cloak and Suit Manufacturers in Cleveland, Ohio. You will say to yourself when you read this advertisement

HOW DID A MANUFACTURER HAPPEN TO GIVE SUCH ORDERS TO A MERCHANT?

Here are the facts of the case: When we bought our stock for Fall and Winter these houses guaranteed the sale of every garment. It is now up to them to keep their word. When their representatives were here this week we asked what we were to do with the few garments left after our January Clean Up Sale. The representatives from both houses instructed us to sell them at any price and they would make up for our loss.

IS MENTIONED FOR PRESIDENT

James E. Watson Being Considered
As G. O. P. Timber Since Speech
Answering Wilson.

OKLAHOMA IS BEHIND HIM

Congressman James McGuire Says
State Will Cast Its 24 Votes
For Him if He Runs.

Although James E. Watson of this city has not made it known that he will be a candidate for the Republican nomination for president no matter how great the demand for his candidacy may be, it can not be denied that states are lining up behind him already and that the desire that he seek the nomination is becoming more widespread every day.

There does not seem to be any doubt now but that he will be a contending force in the next Republican convention which will be held some time during the summer of 1916. By that time the political field have cleared up somewhat and a number of candidates who seem to be in the running now will be out of it, no doubt.

The speech Mr. Watson made in Indianapolis last Friday night in reply to the one made by Pres. Wilson in Indianapolis a week ago last Friday has brought him into national prominence as nothing else would have done and has caused Republicans in many states to look upon him as presidential timber.

That his name is being discussed in connection with the presidential nomination is indicated by a late Washington dispatch to the Cincinnati Enquirer, in which Congressman James McGuire of Oklahoma let go of a Watson boom for the presidency. The dispatch reads like this:

Representative McGuire, of Oklahoma, gave the "Jim" Watson presidential boom a boost today when he declared that if Watson is a candidate for the Republican presidential nomination Oklahoma's solid vote in the national convention will be cast for him. Oklahoma will have 24 votes in the convention.

If Watson should secure the backing of his own state these 24 votes added to Indiana's 30 would at least give him a nest-egg of 54 at the outset. Former Speaker Cannon is credited with being the main influence back of the Watson boom.

Speaking of Oklahoma's attitude McGuire said:

"If 'Jim' Watson shies his eagle into the ring there is not the slightest doubt where Oklahoma will stand in the nominating convention. Oklahoma is for Jim Watson and for him strong. The delegation, with Watson in the rump, will be unanimous and enthusiastic for him. Furthermore, we believe he has the ability to make a President equal to the best."

THROWN FROM BUGGY.

Mr. and Mrs. Ed Mock, with their two children, while riding in a storm buggy, narrowly escaped serious injury when their horse shied and upset the buggy, throwing them in the ditch. The fact that they all escaped from the closed buggy unhurt was bordering on the miraculous. The horse was stopped or else it is likely some of the occupants of the buggy would have been hurt.

TWO BOMBS IN A WEEK.

Cambridge City Tribune: Two presidential booms in one week has brought Indiana to the political forefront. President Wilson came all the way to Indianapolis to make a speech, only to have Jim Watson answer it. And just think, all this within a week!

TWO SUITS ARE DISMISSED

Cases of Minor Importance Taken
Off Court Docket.

Two suits of minor importance were dismissed in the circuit court today. The first was that of Daniel S. Long against Mrs. Mary J. Walton for the specific performance of a contract. It was dismissed by the plaintiff and the costs paid. The other was the account suit of Edward E. Rauck and Ira W. Martin, doing business under the name of Martin and Rauck, against Edwin E. Peck. The demand was \$165.72 and it was dismissed at the costs of the plaintiffs.

WARRANTS WERE ISSUED IN 1911

Mary V. Dameron Has 46 Cents
Coming to Her and County
Owes Ed Hurst 23 Cents.

MUST BE CARRIED ON BOOKS

Very seldom does it ever happen that people having money coming to them do not make an effort to get it and especially after a check has been issued for the amount. Two people have been found who have had money coming from the county since 1911 and the warrants for the amounts have never been cashed. They are Ed Hurst and Mary V. Dameron.

The amounts are not great but the books in the treasurer's office could be put in better shape if the warrants these two people hold were put in better shape if the warrants these two people hold were cashed. Hurst's warrant is for twenty-three cents and Mrs. Dameron's calls for forty-six cents. The warrants were issued in May, 1911 and were for rebate on the Offutt ditch.

According to the records, the warrants were mailed to the parties at Fountaintown. In all the reports for the past four years the county treasurer has carried the stubs of these warrants as outstanding checks against the county and the money is in the bank awaiting the cashing of the warrants. The two warrants were drawn on the Rush County National bank.

12 TURK CARGO BOATS SUNK

(By United Press.)

Petrograd, Jan. 21.—The Turkish retreat from the Caucasus has become almost a rout, according to official reports received here today. In their precipitate retreat, portions of the Turkish forces are being disorganized and their guard is falling into the hands of the Russian cavalry. In a series of such engagements with the remnants of the Turkish army, the Russians have captured numerous prisoners, today's statement said.

A Russian torpedo boat operating in the Black Sea southwest of Batum sank 12 Turkish cargo boats, it was also reported.

INSTITUTE WILL BE PERMANENT IN THE TRENCHES

Farmers of Noble Township, Rush
County, and Orange, Fayette
County, Are Enthusiased.

FIRST ONE HELD YESTERDAY

Prizes Are Awarded in Corn Show
and For Domestic Science
Work—Two Lecturers.

The farmers' institute and corn show conducted by the farmers of Noble township, Rush county and Orange township, Fayette county, in Orange yesterday attracted a crowd of two hundred and fifty farmers and the institute was considered the best ever held there. An interesting program was given, the speakers being R. L. Thompson and Mrs. Oliver Kline, of Purdue University.

The corn show and awarding of premiums in the domestic science department attracted great attention and the contests were very close. In the white corn class Kenneth Morris was awarded first premium and John Dawson second. In the yellow corn class Beaver Brothers were awarded first premium and John K. Fielding, second. In the domestic science contest Miss Florence Paxton was awarded first prize for the best gingham apron, Miss Mary McKee, second and Miss Marjory Tinsworth, third.

The prize for the best white cake went to Miss Helen Houchens, Miss Wilma Bowen was given second and Miss Marion Tinsworth was awarded third prize. Music for the institute was furnished by the Orange high school orchestra and a quartet from the girls' chorus gave a number of selections. Edgar Starr, principal of the school, gave an interesting reading on "Why I Left the Farm." Miss Lela Bowen gave a recitation.

At the close of the meeting Ray Stevens was elected president and Wilbur McKee was named secretary. These officers will select other officers and name committees to complete arrangements for the institute next year. The farmers were so enthused over the meeting that they are determined to make the institute and corn show a permanent institution.

The speakers from Purdue University pleased immensely. At the morning session Mr. Thompson talked on the subject "Prominently Profitable Farming" and Mrs. Kline spoke on the subject "The Home and Its Embellishments." At the afternoon session Mr. Thompson talked on "A Farmer's View of the Educational Problem." Mrs. Kline discussed "The Value of a High Aim in Life."

AMMUNITION IS DESTROYED

Big German Depot Shot to Pieces by
Allies Gunners.

(By United Press.)

Paris, Jan. 21.—Destruction of a big German ammunition depot from which German forces were operating near Rheims to the base of their supplies was reported in the official dispatches this afternoon. According to unofficial report, the explosion of two supplies of powder resulted in many deaths.

French aviators located the ammunition depot and furnished the range to the allies' gunners. The guns had scarcely been trained in its direction when a shell burst through the room. A tremendous explosion shook the earth for miles around.

DESCRIBES LIFE IN THE TRENCHES

French Captain Writes Letter to
Mrs. Demarchus C. Brown Whom
He Met in Paris

REPLY TO XMAS GREETING

Declares French Army is in Excellent Condition and Morale
Exceptionally Fine.

In reply to Christmas greetings sent to a French captain whom she met in Paris at a reception to foreign troops while abroad last summer, Mrs. Demarchus C. Brown of Indianapolis, who lectures here frequently and has many friends here, has received a letter describing something of the life in the trenches.

Mrs. Brown says that at the time of the reception there was no thought of war. The city officials were receiving, according to Mrs. Brown, as guests of honor the Senegals, big ebony fellows from Madagascar and the French colonies in Africa, and the Algerian Tirailleurs. The French captain was already a veteran, and a man of wide observation and experience, delightfully witty and friendly. He spoke very highly of Americans and Mrs. Brown recalls that he said: "I hope some day to see your wonderful country, your great Chicago, which you assure me is near your own city with the unpronounceable name, and to see for myself your famous skyscrapers." For, like most Europeans he seemed to think Americans all live in twenty-five-story skyscrapers—"gratteciels"—scratches of heaven.

Prior to Christmas the Browns sent the French captain a Christmas greeting, not knowing where he was, but addressing him at his garrison town. The letter was received and he has replied in part as follows:

"Your letter has just reached me at the front today, December 29. It is forbidden us to tell where we are otherwise I should willingly tell you. It must suffice to say that I left home August 3. Since that time we have been marching and fighting day and night. That makes almost five months, and I assure you I have seen many things of which I never dreamed in those bright days in Paris last summer. Many of my comrades have been killed and wounded. For myself, happily I have not been touched, and am keeping in very good health, although I have grown very thin from lack of sleep and continual fatigue. In spite of it all, the constant anxiety and hardship, our morale is excellent. The army is in fine spirits and fine condition and we shall be satisfied only when we have crushed our enemy. I hope indeed that God will grant me a return to France. Then, after it is over, I shall have many things to tell in detail which I am not permitted to write now."

"We are now in the midst of the bad weather. We are out in the open, under the rain and the snow, but we suffer without complaining, for we know we are marching in the name of civilization. You can imagine how often I think of my little house in J—, with its garden full of those old-fashioned flowers. My beautiful horse is with me, and we have had many adventures together. I suppose we shall stay together until the end, whatever end it shall be. You can not know how it encourages us all to feel that our friends in America think of us and wish us well."

MANY RUSSIANS CAPTURED

Austrians Report Severe Fighting
Along Donajec River

(By United Press.)

Vienna, (Via Amsterdam), Jan. 21.—Capture of several hundred Russians in severe fighting along the Donajec river in western Galicia was reported in the official statement from the Austrian war office today. The Russians held a strong position on the west bank of the river. Austrian artillery shelled stone buildings behind which the Russian infantry lay and forced their retreat to the river.

Destruction of a bridge across the Donajec river in the Carpathians was also reported.

ELEVEN WANTED TO GIVE MAPLE DOLLAR

One Juror Hearing Account Suit in
Circuit Court, However, Held
Out and Jury Disagreed.

SECOND TRIAL OF THE CASE

After voting for five hours with eleven men wanting to award Clell Maple judgment for \$1 and assess the costs against the defendant Johnson, the jury, which heard the account suit of Clell Maple against Lafayette Johnson, was discharged when it failed to reach a verdict.

The stand taken by the jury was one of the most peculiar ever recorded in the local court. The suit was over a balance alleged to be on an account and the original demand was only forty-five dollars. The costs in the case amounted to something like \$50 and the 11 men voting for Maple in the sum of \$1 and placing the costs against Johnson believed that the amounts would be about equally divided. The other man on the jury would not agree to this and voted for the defendant.

The case was sent to the circuit court from the justice of peace court of Squire Kratzer and it is quite likely that it will be settled before it is called for trial again.

Tuesday, "Has He Revealed Himself and by Whom?" Wednesday, "The Mission and the Work of the Holy Spirit"; Thursday, "The Church of God and Who May Belong to It"; Friday, "Have We a Model For the Salvation of All People?"

SENATE PASSES EUGENICS BILL

Declares Approval of Measure Com-
pelling Physician's Certificate
to Get Marriage License.

IT APPLIES TO MEN ONLY

Bill is Opposed Only by Senators
From Border Counties Where
Squires do Big Business.

(By United Press.)

Indianapolis, Ind., Jan. 21.—The senate today by a vote of 32 to 12 passed the eugenics bill which would require only men applying for a marriage license to present a physician's certificate showing they were not afflicted with any transmissible disease, including tuberculosis. Chief opposition to the bill came from senators representing border counties. The bill goes to the house.

Senator Thornton representing the border counties of Floyd and Harrison, and Jeffersonville the "Gretna Green" of Indiana, made the only speech against the bill. "Why we would not have a marriage on the borders of this state in five years," he declared. "There are eight thousand reasons why I would not vote for this bill. Home is the crowning desire of a man's longing soul and nothing should hinder this achievement." There were 1,955 marriages in Jeffersonville last year. He declared the physicians were lobbying for the bill to get the fees and said such legislation was not right.

Senator Hazen, Boonville editor, brought a ripple of laughter when he pleaded that young men should "go to their brides with clean skirts."

Senator Van Anken said couples from Kentucky and Illinois because of loose marriage laws came here and that as a result marrying squires made a nest fortune.

"Society has a right," he said, "to say that diseased men shall not marry only to burden society with diseased children."

Senator Edward C. Eikman, representing Rush, Fayette and Hancock counties, voted for the bills.

The Senate yesterday passed Senator Alva O. Reser's bill to authorize commercial clubs to own stock in companies they induce to move into a community. Senator Glenn Van Anken's bill to amend the corrupt practices act to exempt candidates for offices paying less than \$200 a year from filing itemized statements of campaign expenses was made a special order for 3 o'clock Monday. Senator E. A. Norman's bill to require private funerals for persons who die of certain specified contagious diseases was made a special

Before Stock Taking The Bargain Season

This is the month in which the thrifty shopper scans the newspaper advertising closely.

It is the time just before stock taking when merchants are anxious to clean house.

It is better business to sell small lots of merchandise at a loss than to carry them over another year.

Cash can be used—dead stocks eat their heads off.

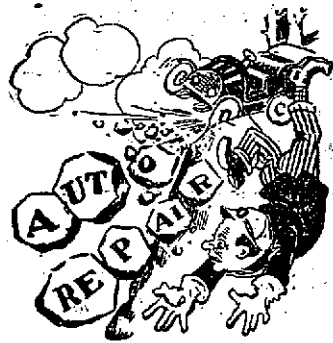

So it is the custom of the stores to make this month a clearance season.

Therefore the advertising columns of The Daily Republican hold more than their usual interest.

What of Mexico?

What are we to do about Mexico? We want no war with that country, and yet the American patience has about reached the breaking point.

Property of Americans is being daily destroyed, our citizens are being insulted and assaulted, commerce is at a standstill, and American business interests are suffering untold loss in that land of anarchy.

There is no established government, and might is right.

Military bandits are in control, and honor has been kicked into the discard.

Insults are being heaped upon our troops at the border and Mexican bullets are singing over American territory.

The president is making every effort to reach some peaceful solution, but apparently without avail.

How long is patience a virtue anyway?

This year begins on Friday and ends on Friday, and every weekly newspaper that carries Friday as its publication day will have 53 weeks in 1915. Some year, eh?

In this country we "shoot the shutes" and over the way they "shoot the shooters."

order for 2:30 o'clock Monday. Second readings were given four bills. Senator Reser's bill to require school treasurers to give a bond equal to the sum in their possession at any one time, Senator Edward P. Elmer's bill to permit farmers' mutual fire insurance companies to insure property in towns. Senator Frederick VanNoy's bill to repeal the law relating to the recorder of Lake county, which was published without having been passed by the last Legislature, and Senator M. C. Thornton's measure to authorize the New Albany Public Library to make use of certain funds. All four were ordered engrossed.

The committee on fees and salaries shelved two bills that had been introduced by Senator S. B. Fleming of Fort Wayne. One sought to fix the salaries of sheriffs and the board of each person under care other was to provide that sheriff. The committee reported unfavorably and the Senate concurred in that action.

The Senate concurred in the report of the committee on judiciary B. favoring the passage of Senator J. B. Fleming's bill to amend the law relating to the issuance of bonds for court houses and to permit the sale of bonds at less than 4 per cent, to be redeemed in less than ten years.

The committee on reformatories reported favorably on Senator William A. Yarling's bill that no parole be granted without the consent of the Governor to a prisoner transferred from the Jeffersonville Reformatory to the Michigan City Prison. The report was approved.

The committee on counties and townships made favorable reports on Senator William M. White's bill to fix the pay of township trustees in Crawfordsville; Senator George C. Wood's bill to require county surveyors to turn unfinished work over to their successors; Senator Thomas L. Neal's bill to correct title to lands in Boone County, the records having been burned, and Senator John G. Reidelbach's bill to abolish County Councils. The Senate concurred in the committee action on all four measures.

On motion of Senator Reser, the Senate adopted a joint resolution to comply with the terms of the Smith-Lever act, under which Congress voted aid for agricultural extension work at Purdue University. A sum of \$10,000 has been received for the current year and the treasurer of the university was authorized to receive it and to disburse it in accordance with the Federal act.

The committee on rights and privileges recommended for passage Senator Reidelbach's bill to permit the owner of wild birds raised in captivity to sell them.

The committee on criminal code and the "anti-gambling bill" under consideration, Senator Kolsen's bill No. 13, and postponed action, as hardware dealers desire a hearing before action is taken.

CLOSES EIGHTH OF CENT OFF

(By United Press.) Chicago, Jan. 21.—The wheat market fluctuated violently all day, at one time touching \$1.45 1/2. It remained there only a short time, though, coming back to \$1.43 1/2 at the close, which is only one-eighth of a cent below the opening. The volume of business was slow owing to farmers holding back cash grain. Cash wheat closed above the futures.

IF BACKACHE OR KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out Kidneys—Drink plenty water.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

HOW DOES THE REAR AXLE OF YOUR CAR "SOUND" AND ACT?

Is it noisy, loose and does it seem to "gather together" before the car moves, instead of acting noiselessly and as a single unit?

Every car's "rear end" should be overhauled once a year and the brakes should be relined—if you want to enjoy safe, "worry free" motoring and have brakes that HOLD.

CARMONY-WILKES WEDDING.

A very beautiful wedding took place at the residence of Marshall Wilkes at Sumner, last Sunday afternoon at three o'clock when Miss Hazel Wilkes and Charles Carmony were united in marriage. A few minutes before three o'clock the bridal procession appeared, led by the Rev. Fred Dennis, and immediately following him were the bride and bridesmaid, Miss Lillian Carmony, and the bridegroom and best man, Len McConnell. They entered the parlor which was decorated with the wedding colors, red, white and blue, and stood near a red wedding bell. Just as the clock struck three the first words of the ceremony.

The bride was attired in a beautiful wedding gown of blue satin and carried a beautiful bouquet of white roses. A dainty wedding repast was served. There were about seventy-six wedding guests present. Many beautiful and valuable gifts were received by the young couple.

The ladies of the Big Flatrock church will hold an exchange next Saturday at the Plough Millinery store.

THE MAUZY CO. Countless Opportunities to Save THE MAUZY CO. This Winter's Most Important Sale THE MAUZY CO. Three Floors of Great Economies THE MAUZY CO.

Our Policy — Not to Overstate

This store much prefer that you find its merchandise better than you anticipated, its values greater than represented, its service of a higher order than promised. To that end, it will continue to paint its type pictures in a modest fashion without extra flourishes, hoping thereby to retain the confidence of its customers in its ability to always deliver the goods and never to disappoint.

A Trade Inducement of Merit

For two years we have been distributing throughout this and adjoining counties, S. & H. Green Trading Stamps, as an inducement for cash trade. We know of no fairer method of premium distribution, for it offers all an equal chance. The premiums shown in the Premium Parlor on the third floor cannot be excelled. These we offer you, absolutely free, directly or indirectly.

NO LOBBY HAS YET APPEARED

Abatement Bill, Making Provision to

Get Rid of Immoral Houses,

Has Easy Sailing

IT MAY MEET STORMS LATER

Method of Attack That May Be

Used is Revealed by Question

Put by One of its Opponents

(By United Press.)

Indianapolis, Jan. 21.—No lobby has yet appeared publicly against the abatement bill, which would provide any citizen with an opportunity to petition in court for an injunction against houses of ill fame, but it is considered possible that certain property interests are interesting themselves.

In the first public hearing on the bill the line of argument to be followed by its opponents was indicated by Representative Linford Myers of Anderson, who asked Representative Rule, the author, whether a trust company renting hundreds of houses, would be expected to know definitely whether any one of them was being used as a house of ill fame. The bill presumes that the property owner knows to what use his property is being put. In case the petitioner proves that the property is a nuisance, then the burden of proof is on the property owner. He must prove that he did not and could not within reason have known the use the property was being put to, or be subject to penalty.

Mrs. F. E. White, chairman of the legal department of the Legislative Council of Indiana Women, today attacked the argument that the law would give opportunity to unscrupulous persons to harass the owners of property. She said the Russell Sage foundation had made a complete investigation and had not found one case of blackmail. The foundation reported, she said that this law has made segregation impossible and that no city was found where prostitution was "open and notorious." The law is in effect in Utah, Oregon, Washington, Minnesota, California, South Dakota, Kansas and Wisconsin.

"It is also the Kenyon bill," said Mrs. White, "enacted for the District of Columbia by the Democratic congress of 1913 and signed by President Wilson."

Rushville People

Praise Simple Mixture

Many in Rushville praise the simple mixture of buckhorn bark, glycerine, etc., known as Adler's. This remedy is the most THOROUGH bowel cleanser ever sold being used successfully in appendicitis. ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler's cannot gripe and the INSTANT action is surprising. Great Kidney Remedy Saves Two Children in One Family

About one year ago two of my children suffered badly from weak kidneys. They would have severe spells of dizziness and were run down in health. I was just about discouraged. I tried several remedies and finally a doctor, but they did not seem to improve. I knew of a friend who was taking Swamp-Root for kidney trouble with good results and I decided to get some for the children. I had noticed that there was some improvement after they had taken two large bottles and continued to give it to them until they had taken one-half dozen bottles and were well on the road to recovery. I think Dr. Kilmer's Swamp-Root has done more for my children than any other medicine I have tried and I recommend it to anyone having children that suffer as mine did.

Very truly yours,

E. W. LISNEY,

Personally appeared before me, this 24 day of July, 1909, E. W. Lisney, who subscribed to the above statement and made oath that the same is true in substance and fact.

A. W. LISNEY, Notary Public.

Letter to Dr. Kilmer & Co., Birmingham, N. Y.

Send me Swamp-Root will do for you. Send ten cents to Dr. Kilmer & Co., Birmingham, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Rushville Daily Republican. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

\$3000.00 FIRE PREVENTED

The House the Red Jacket Saved

Read This Letter:
"Several years ago I called on Lane & Evans to buy a pump and they almost forced me to buy one of your Fig. 28 Red Jacket Double-Acting Force Pumps and fifty feet of hose when I only intended to buy a cheap set length pump. Mr. Lane put up such strong argument on 'fire protection' that I followed his advice and bought the Fig. 28, little thinking that it would be of any service to me in that respect. Shortly after the pump was installed, my barn caught fire and had it not been for this pump and hose and the thoughtfulness of Mrs. Barnett, my barn, house and all buildings on the place would have been destroyed."

SCOPE OF PROBE TO BE WIDENED

Injection of Personality of Prominent Men in Santo Domingo Investigation Makes it Necessary.

ALL MENTIONED TO BE HEARD

Witness Admits he Does Not Believe Story W. J. Bryan Was to Share in Exploitation.

(By United Press.)

New York, Jan. 21.—Injection of the personality of prominent men, notably Secretary Bryan, into the Santo Domingo probe has made it necessary that the investigation scope be widened. Senator-elect Phelan of California, who is hearing testimony on the charges brought by W. W. Vick against Minister James K. Sullivan, said today he intended that everyone whose name had been mentioned shall have full opportunity to be heard.

Former Governor Martin H. Glynn has already flatly denied the charge made by M. E. Davis, a contractor, that he was to participate in profits which William C. Beer named as Sullivan's sponsor expected to make on "public work contracts with the Dominican government."

The investigation primarily was into the fitness of Minister Sullivan for the post he held but the alleged graft stories cropped out. Beer, who is an attorney for the Banco Nacional of Santo Domingo, was quoted at the hearing yesterday as having said Former Governor Glynn, Secretary of State Bryan and Congressman J. A. Hamill of New Jersey. The testimony was given by

AN OLD RECIPE TO DARKEN HAIR

Common garden Sage and Sulphur makes streaked, faded or gray hair dark and glossy at once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick, and glossy and you look years younger.

Contractor Davis, who admitted, however, that at the time he had taken Beer's statement seriously, but when Senator-elect James D. Phelan, who is conducting the inquiry, and his attorney, Charles H. Strong, expressed surprise that he had so regarded it. Davis asserted he now believed the statement to be "silly, rot." He declared "Beer" evidently was trying to make an impression and "using all means in his power to get money."

That Minister Sullivan had encouraged the Dominican government to bombard the city of Puerto Plata during a revolution in October, 1913, in spite of the fact that it would endanger American property there, was charged in testimony by G. O. Baker, a construction engineer. Baker had a contract for building a power house in that city for a Boston concern, and said he protested to Minister Sullivan, asking intervention against a threatened attack upon the city by a Dominican gunboat patrolling the river.

The city was at that time in the hands of revolutionists, and although it was defended by a so-called fort, Baker said it was in no sense fortified, as the entire artillery of the fort consisted of one one-pound gun. Sullivan, he declared, had insisted that it was a fort and that the gunboat had a right to bombard. Baker said he then entered a protest in writing to the minister. To this Sullivan replied in a letter that was put in evidence, in which occurred the sentence:

"This does not mean that the attack on the town will be stopped by the United States; on the contrary, we will encourage it."

A copy of the letter, the witness said was sent to Secretary Bryan.

The gunboat subsequently did bombard, he testified, throwing five shells into the city and damaging his property, though not seriously.

DEEDS ARE TRANSFERRED

Everything Ready For Work on Masonic Home Near Franklin.

The final transactions in buying the site for the state Masonic home in Franklin have been completed, and work will be started on the institution early in the spring. The title and deeds to the land were transferred to the members of the Masonic grand lodge committee at a meeting in Indianapolis. The site consists of 215 acres and is situated at the edge of Franklin. It was purchased for \$45,000 the Franklin lodge and people of that city giving \$20,000. The members of the committee attending the meeting when the transfer was made were Calvin W. Prather and Frank E. Calvin of Indianapolis and Dr. Olin Holloway and Richard Schweizer.

RUSHVILLE WILL PLAY AT CARTHAGE

Open Date in Schedule Results in Taking Team There For a Return Game—Has One Victory.

NO HOME GAME UNTIL FEB. 5

Arrangements were completed yesterday for the Rushville high school team to play at Carthage Friday night. This arrangement in the schedule will be a disappointment to many of the fans as the team will not be seen in action on the home floor until February 5, as the schedule calls for a game in Franklin on Jan. 29. Negotiations were on for a third game with Milby to be played here Friday night but the managers of the two teams could not get together and the game at Carthage was booked.

Rushville defeated Carthage on the local floor earlier in the season and expects to repeat Friday night. The game will be a hard one on account of the small floor at Carthage. Since Carthage last Friday night the team has been working hard and Coach Burns is determined that the team will play basketball all the time.

CURED OF KIDNEY TROUBLE

Ohio Man's Case Shows How Terrible Malady Can be Conquered.

"Dear Sufferer: Last summer I was attacked with kidney trouble. Incessant backache was the first symptom. Whenever I stooped to my shoes, I felt a dizzy, swimming sensation in my head. It was almost impossible for me to straighten up because of my stiff back. My hands were puffed and covered with little bluish-yellow spots. The kidneys were highly congested and off in action. I heard of Lloyd's kidney and rheumatism tablets as the new and scientific treatment, so tried it. It proved a wonder. The backache and yellow spots have entirely disappeared and I now feel better in every way.

"I advise you, sufferers from backache, tired feeling, restlessness, nightly arising, any kidney or bladder ills or rheumatism, to get from Lloyd's druggist today a few Lloyd's, the kind that cured me. Don't injure your kidneys by using salts or powerful drugs.

A Fresh Shipment of

Beer vs. Tea

Tea leaves contain caffeine 3.2 per cent.

Beer contains alcohol 3 to 4 per cent. and grain extracts about 7 per cent.

Caffeine is a poison similar in effect to opium or morphine.

Alcohol in small quantities, such as in beer, is a proven food.

Prohibitionists, who believe in the destruction of everything which might be the agent of man's intemperance, should, if they are sincere, turn their attention to tea, a poisonous stimulant, instead of beer, a recognized food.

Britain, which consumes 300,000,000 pounds of tea a year, is facing the great problem of tea intemperance. Her scientists are advising the people to turn from tea to mild beers.

Which do you prefer, tea, a stimulating drug, or beer, a nourishing beverage?

"FOOLS" SERMON SUBJECT TONIGHT

Rev. Mr. Elliott Said Last Night

Being Born of Godly Parents is
Not Insurance Policy.

SERVICES AT U. P. CHURCH

"Fools" will be the topic of the sermon to be preached by the Rev. Frederick Elliott at the U. P. church tonight at 7:30 o'clock. A good sized audience last night heard and enjoyed the sermon on the subject, "The Degree of B. A." The Rev. A. D. Batchelor of St. Paul's M. E. church offered prayer. The meetings will continue each evening for the remainder of the week. Last night the evangelist dealt with the new birth into spiritual things. "The natural birth," he said, "does not admit us to spiritual appreciations of privileges. Being born of godly parents is a favorable circumstance, but not an insurance policy. Those who are not born again are already spiritually dead, for death may precede or even precede birth. The second death which the spiritually dead must suffer, is not annihilation, but hell; and no amount of wishing or of bad logic can avoid this scriptural conclusion. Heaven and Hell rest upon precisely the same scriptural basis, and stand or fall together. Those born again die triumphantly, and rob death of its sting, and the grave of its victory."

James E. Watson First Speaker to
Give Address More Than Once

at Kansas Celebration

IT IS SET FOR JANUARY 29

State Will Observe Entrance Into
Union and McKinley's Birthday
—Watson Speaks in New York.

James E. Watson of this city will make the principal address at Topeka, Kansas, Friday January 29, at the fifty-fourth anniversary of the admission of Kansas to the union as a state. The celebration will be dual in its nature because January twenty-ninth was McKinley's birthday and it is always celebrated by the Kansans. In all of the fifty-four years that Kansas has been observing its entrance into the union, James E. Watson is the only man who has been called back to speak a second time.

Mr. Watson will also speak at Albany, New York some time in the early part of February. At that time he will speak from the same platform with Governor Whitman of New York who is being mentioned as one of the contenders for the presidential nomination in 1916.

Mr. Watson and Henry Lane Wilson, former ambassador to Mexico, will be the chief speakers at the big Republican meeting which is being planned for Fortville, Hancock county, Thursday, February 4. The demonstration promises to be one of the most novel ones ever arranged in Indiana for Republicans.

The principal item on the menu for this banquet, according to the committee, composed of A. B. Ayres, John M. Hardin and T. W. Gardner, which was at Republican state headquarters yesterday, will be possum, properly banked with sweet potatoes. Gardner is said to be a past master in the preparation of this delicacy. In addition there will be a liberal supply of Hancock county turkeys. The Fortville Republicans are planning to entertain 600 voters. The toast list headed by Henry Lane Wilson, and Mr. Watson is longer than is usually presented at a meeting of this character.

Short speeches will be made by former Governor W. T. Durbin, Ilor-

ace, Stillwell, former vice-chairman of the Progressive state committee; Judge Lefler and Walter Ball, of Muncie; Merrill Moores, congressman-elect from the Seventh district; Will R. Wood, congressman-elect from the Tenth district; Fred A. Sims, former Republican state chairman; James P. Goodrich, Republican national committeeman; Will H. Hays, state chairman, and R. E. Head, of Franklin county.

The Republican Club, of Vigo county, is preparing to give a big oyster supper on Lincoln's birthday, and the Republicans of Marshall county are planning a meeting at Plymouth on the same date. The Republicans of Wayne county will probably celebrate the day with a banquet at Richmond.

The Cass County Republican Club is preparing for a big "blow out" at Logansport on Lincoln's birthday. An invitation has been extended to Charles S. Deneen, former Governor of Illinois, to make the principal speech on this occasion.

DIRECTORS ARE ELECTED TODAY

Farmers Trust Company Board is
Selected For Ensuing Year at
Meeting This Morning.

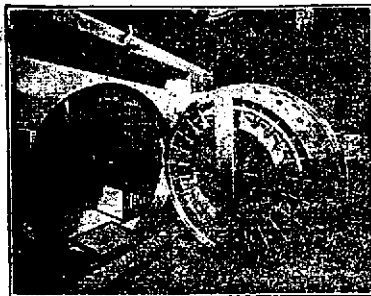

NO CHANGE IN PERSONEL

Directors for the ensuing year were elected this morning by the Farmers Trust company. Owing to a slight misunderstanding some of the directors left the meeting before all the business was transacted and the other officers were not elected. There will be selected at a meeting next week. There were no changes in the board of directors and it is stated that the officers will not be changed.

The directors re-elected this morning were A. B. Irvin, Lee Pyle, William E. Wallace, Raymond C. Hargrove, D. H. Dean, George W. Looney, Jr., and Chester M. George. The other officers to be elected next week are A. B. Irvin, president, William E. Wallace, Vice-president, and Theodore Heeb, secretary.

Get Rid of Them at Any Price

We received the above orders this week from two of the largest and best Cloak and Suit Manufacturers in Cleveland, Ohio. You will say to yourself when you read this advertisement

HOW DID A MANUFACTURER HAPPEN TO GIVE SUCH ORDERS TO A MERCHANT?

Here are the facts of the case: When we bought our stock for Fall and Winter these houses guaranteed the sale of every garment. It is now up to them to keep their word. When their representatives were here this week we asked what we were to do with the few garments left after our January Clean Up Sale. The representatives from both houses instructed us to sell them at any price and they would make up for our loss.
